

DELTA RADIATOR COLLECTION

JUNE 2024

SHOP COPY

Delta Radiator collection aims to bring the most popular of designer towel rails and radiators to the home improvement sector at competitive prices. Our radiators and towel rails are to suit all tastes, from the traditional designer models to new contemporary designs not introduced in the UK market. The main emphasis is not only the best quality finish, but also technically better products. This is why all of our radiators are backed with a minimum of 5 years manufacturer's guarantee. All the factories where the products are manufactured are ISO9001:2000 registered and other similar international standards.

Products are tested to BS EN 442 standards. We aim to deliver the highest level of service to our customers with new designs, technical information and special requests, so please keep in touch with us via our website. Heat outputs given at Delta 60 benchmark.

All orders need to emailed to:

sales@deltaradiators.co.uk

Orders received before midday will be dispatched same day.

ERORRS & OMISSIONS

Due to continuous improvement Delta Radiators reserves the right to amend the design, size and colours of its products or withdraw them. All dimensions of products including size, pipe centres are for guidance only and are supplied by manufactures. We strongly recommend that piping for all radiators should be done with the radiator at hand and double checked.

PRICES

Prices correct at the time of going to print but could be subject to revision without notice.
